TOSHIBA

Satellite Pro

Exceptional value

For small-to-medium business users, the Satellite Pro A40 provides the perfect blend of high-performance technology and renowned Toshiba quality at an affordable price. Configured with state-of-the-art features including the latest multimedia technology, the Satellite Pro A40 is an all-in-one notebook PC in a cool blue design that's a pleasure to use all day long.

Portable power

Whatever your business needs, the Satellite Pro A40 delivers power, exceptional performance and reliability via the latest mobile Intel® Pentium® 4 processors. With its large hard disk and system memory, upgradeable to 2,048 MB, you can maximise the opportunities of today's digital lifestyle.

Breathtaking multimedia

Get ready for a sensational multimedia experience. Feast your eyes on the ultra-sharp 15.0" XGA TFT display. Enjoy awesome virtual surround sound generated by the integrated SRS TruSurround™ XT technology. Use the onboard CD-RW/DVD combo drive to save data on CD, watch DVD movies, run memory-intensive programs or play games. One-touch CD/MP3 button functionality makes life easy for all types of users.

Maximum connectivity

A full range of expansion and connectivity features are also integrated, including a PC Card slot, SD™ Card slot, and four USB 2.0 ports for ultra-fast data transfer and storage. A programmable console button launches applications at a single touch. Transfer data ultra-fast using integrated i-LINK™.

All-in-one convenience

The Satellite Pro A40 comes with a remarkable suite of pre-installed business and productivity software. Microsoft® Windows® XP Professional delivers true reliability and performance. For additional productivity, Microsoft® Office OneNote™ 2003* allows you to capture, organise and re-use notes and information. Toshiba ConfigFree™ software allows easy set-up and control over network connectivity.

Toshiba recommends Microsoft® Windows® XP Professional for Mobile Computing

Model	Satellite Pro A40 P4 2.66GHz/15" TFT/40GB/256MB/DVD-CDRW/LAN	Satellite Pro A40 P4 3.06GHz/15" TFT/40GB/256MB/DVD-CDRW/LAN
Processor	Mobile Intel® Pentium® 4 processor, 533 MHz Front Side Bus, 512 KB 2nd level cache	
Clock speed	2.66 GHz	3.06 GHz
Display	15.0" TFT colour display	
Internal video mode	Maximum number of colours: 16.7 million, resolution: 1,024 x 768

Options	128 MB memory kit, 256 MB memory kit, 512 MB memory kit, 1,024 MB memory kit, universal AC adapter, battery pack, battery charger, USB diskette drive	

CPU performance may vary from specifications under certain conditions such as the use of battery instead of AC power, certain external peripherals, certain multimedia applications or network connections, complex modelling software and in areas with low air pressure at high altitude (1,000 metres above sea level) and/or certain temperatures. CPU performance may also vary from specifications due to design configuration. Under some conditions, your computer may automatically shut down as a normal protective measure. To avoid risk of lost data, please make periodic back-up copies. For optimum performance, use your computer only under recommended conditions. Please read detailed restrictions in the product resource guide, visit the Toshiba website: computers.toshiba-europe.com and/or contact Toshiba Technical Support. • One GB means one billion bytes. • To be applied in countries where it is approved. • Battery life may vary depending on applications, power management settings and features utilised. Recharge time varies depending on usage. Battery may not charge while computer is consuming full power. After a period of time, the battery will lose its ability to perform at maximum capacity and will need to be replaced. This is normal for all batteries. To purchase a new battery pack, see your accessories information that was shipped with your computer or visit the Toshiba website at computers.toshiba-europe.com. • Small bright dots may appear on your TFT display when you turn on your PC. Your display contains an extremely large number of thin-film transistors (TFT) and is manufactured using high-precision technology. Any small bright dots that may appear on your display are an intrinsic characteristic of the TFT manufacturing technology.

* Microsoft® Office OneNote™ 2003 is not available in all countries. For further information contact your Toshiba Authorised Reseller.
